

INPEFA TOGETHER™ HELPS YOUR PATIENTS START, STAY, AND SAVE ON INPEFA

START

All patients receive a voucher for a free 30-day supply* of INPEFA as prescribed by their doctor. Enrollment in the 30-Day Voucher Program triggers support through INPEFA Together™.

Lexicon's digital pharmacy partner Blink Health (1-844-265-6444) automatically gets patients started with their free 30-day supply* of INPEFA. **INPEFA Together™ will reach out to coordinate delivery to their home or local pharmacy.**

STAY

While patients receive their free 30-day supply* of INPEFA, a dedicated INPEFA Together™ Support Specialist follows up with them and your office regarding next steps. INPEFA Together™ also:

- Supports your office with the benefit verification and coverage requirements such as prior authorization
- Connects your patients to financial support options for INPEFA
- Answers questions about getting INPEFA

Reach out to INPEFA Together™ at [INPEFATogether.com](https://www.inpefa.com) or **1-855-2-INPEFA (1-855-246-7332)** to enroll your patients in support or with any questions.

*Please visit [INPEFATogether.com](https://www.inpefa.com) for full Terms and Conditions.

SAVE

INPEFA Together™ Copay Program

Patients with commercial insurance may get INPEFA for as little as \$10* per 30-day prescription. INPEFA Together™ automatically enrolls eligible patients in the Copay Program after they get their free 30-day supply* of INPEFA.

More options for financial support

The INPEFA Together™ Cash Pay Program assists eligible patients who are experiencing affordability concerns or who do not currently have insurance coverage for INPEFA. Eligible patients may pay as little as \$55 per 30-day prescription.*
